

# MONKEY TWERK

## BIO

Known for their infectious energy and a motto that goes, “If there’s a monkey twerking, it’s definitely a party worth attending,” Adriana & Frank, hailing from Colombia, adopted by Canada, and now living in Amsterdam, bring a fun and delightful fusion of happy-sexy-dirty electronic party music.

With a passion for dancefloor euphoria, they’ve been lighting up parties and festivals on both sides of the Atlantic. While their moniker remains ‘MonkeyTwerk’ in North America, they are simply going by ‘FRANK & ADRI’ in the European scene after five vibrant years in the Netherlands.

Their eclectic music palette and high energy sets have taken them to stages of music festivals in Canada, the UK, and Costa Rica, rocked boat parties in Amsterdam, Croatia, and Dubai, and lit up private gatherings across the globe. Here are some of their standout performances:
